Notes

American Diploma Project <http://www.achieve.org/node/842>

Participants: **Arkansas, Indiana, Kentucky, Maryland, Massachusetts, New Jersey, Ohio, Pennsylvania and Rhode Island** (initial) **Arizona, Hawaii, Minnesota, and Washington** (recently joined)

From press release: "The test is being developed and will be owned by Pearson Educational Measurement. The test will be based on standards developed by Achieve, Inc. as part of its work to create and support the ADP Network." <http://www.achieve.org/node/836>

Arizona, Delaware and Washington are also beginning discussions on end-of-course assessment around potential development and implementation.
